5. Lab: Finalize app

With this lab you finalize your app, i.e. code freeze 7 days after this lab.

5.1 Preparation

🧰 Work on your issues as much as possible.

5.2 During the lab

- We discuss your questions.
- We will look at the current state of the app of all teams and discuss them.
- We discuss and hopefully solve your problems.
- You assign the to-dos.

5.3 After the lab

- 🧰 Finalize your App.

Document the following parts in your portfolio (use the file docs/4-Implementation.md)

- 🧰 class diagram for your main classes and providers
- 🧰 reflect shortly, what went well, what was a waste of time and what was surprising
